

Public Ledger

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., FRIDAY, JANUARY 2, 1903.

ONE COPY—ONE CENT.

The Colored State Teachers' Association, after electing officers, adjourned at Lexington, to hold its next meeting at Louisville.

It is urged that every Director of the Board of Trade be present at the meeting at 6:45 this evening at the Robins and Cox Building.

The Washington Correspondent of The Courier-Journal yesterday said: J. L. Bristow, the Fourth Assistant Postmaster General, left Washington last night for Flemingsburg, where he is to attend the funeral of his brother-in-law, Mr. W. F. Hendrix. Mr. Hendrix died yesterday. He was a prominent citizen of Kentucky, where he had lived for many years. Mr. Bristow is accompanied by Mrs. Bristow, and will be gone three or four days.

MR. PATRICK LARKIN.
After an illness from pneumonia the death of Mr. Patrick Larkin occurred this morning at his home at Washington.

He was 53 years of age and leaves several children.

His wife, who was a daughter of Thomas Higgins, died about two years ago.

The arrangements for the funeral had not been made when THE LEDGER went to press.

THE SHAM BATTLE.

Head of Market Street the Scene of a Lively Conflict Last Night.

As announced a day or so since a sham battle in all its glories was fought at the head of Market street last night, beginning about 8 o'clock.

George Jackson and John Combs, both colored, were in command of the two opposing Companies, the latter made up of about thirty men each.

Messrs. Jackson and Combs were soldiers in the Spanish-American War, and had decided on having the sham battle to test their knowledge of military tactics.

At the appointed hour the two companies met, and after the fight, which lasted an hour, Combs came out victorious.

Jackson, with his men, made three attacks on the "fort" and each time was driven off.

The "battle" attracted quite a crowd of onlookers.

Before the "fight" began the two companies, keeping step to the martial music furnished by a drum corps, gave a short parade.

Jackson is entitled to a large amount of credit for his bravery in attacking three times his enemy's stronghold. He has issued a challenge to Combs for repetition of the battle, to be fought on the Fourth of July, at which time he promises to have things come out different.

The Messrs. Walsh delightfully entertained a few friends last evening at their home on East Second street.

While dining at his home near the Owinga, Mr. Charles H. Nicholson was badly injured by a premature explosion.

The funeral of Mr. Charles H. Nicholson will occur from his home on Lime street at 2:30 this afternoon. The interment will be in Maysville Cemetery.

PALE WOMEN

A Bloodless Face Indicates Trouble.

Watery Blood a Menace to Health.

WE NOW HOW PALE PEOPLE CAN GET RICH RED BLOOD.

COME AND LET US TELL YOU ABOUT VINOL

When a woman's face is pale, it is a sign that much is radically wrong. We advise everyone who has a pale face to start at once to use Vinol to overcome this trouble.

Vinol is a highly concentrated extract of cod liver oil, the same element that has made cod liver oil famous for its medicinal properties. These medicinal elements are dissolved in a delicious table wine so that it is most palatable.

Non-graceful, the vile-smelling obnoxious cod liver oil, which makes it impossible for those who should take it, to take it.

Vinol has done good and restored the roses of health to the pale cheeks of the sufferer. The following is a fair sample of the letters written in regard to Vinol:

"I suffered last fall from a cold, which was followed by a cough and I was pale and thin. As an experiment I tried Vinol and I wrote pages I could not tell all I had done for me."—Mrs. A. K. LARKIN, Amesbury, Mass.

"We know Vinol so well, and we know so surely what it will do, and how it will do the good it does in a way, we unreservedly recommend it, and in a guarantee to refund what they pay us for it if they do not find it entirely satisfactory."—G. PECOR, DRUGGIST.

The members of the First Presbyterian Church at Paducah declined to accept the resignation of the Rev. W. E. Cave, who has been called to Raleigh, N. C.

Mr. Walter B. Phister, formerly of Maysville, is a member of the firm of Phister & Wright, recently appointed General Managers, Liability Department, for the Travelers' Insurance Company in Illinois.

The formal announcement of Mr. Isaac N. Woodward as a candidate for re-election as Circuit Clerk appears elsewhere in this issue. Mr. Woodward has been one of the most efficient officials holding office in Mason county, and if good service counts for anything he will be the unanimous choice of his party at the time the matter is decided.

BAD AND GOOD LUCK.

Incidents of Rev. J. O. A. Vaught's Family Christmas Day.

Demotte Advocate.

Mr. Steve Vaught, a member of The Advocate's editorial staff, was the recipient of a very handsome Christmas present in the shape of a solid gold locket set with diamonds. Shortly after receiving the present he fastened it to his watch chain and went to the Postoffice and a number of other places, and when he returned it was gone. He spent three or four hours looking for it without avail.

Saturday morning he was standing in front of the Postoffice telling a friend of his bad luck, when he happened to look through the iron bars into the Postoffice cellar and saw the locket, unharmed, where it had been dropped the day before.

The same day Miss Louise Vaught, his sister, en route to the depot, lost a handsome solid gold breastpin. Some time later her father happened to be traveling over the same street, but not until probably a hundred people had passed that way, and discovered the pin.

LESSON IN AMERICAN HISTORY IN PUZZLE

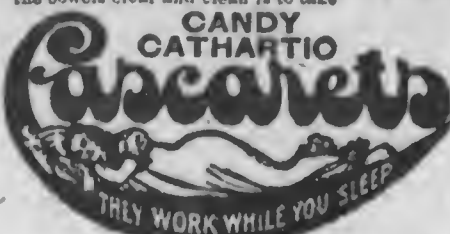

THE RIDE OF PAUL REVERE.
Find William Daves.

John Hancock and Samuel Adams were prime movers in the agitation in Massachusetts against the unjust taxation imposed by King George III. upon his American colonies. Gen. Gage, the English commander at Boston, proposed to capture these two patriots and send them to England for trial. They were staying at Lexington, and it was arranged that should English troops leave the city they were to be notified. On the night of April 18, 1775, the English troops started upon their mission of capture, and also had instructions to destroy the colonial military stores at Concord. William Daves had succeeded in leaving Boston ahead of them, and had displayed from the old North church tower the agreed signal announcing the approach of the British. Revere was at Charlestown, and saw the signal. He rode his horse, and eluding the British sentinels dashed into Lexington and the "minute men" on the way so that they were ready to meet

Colonel George Strawder, who has just moved to West Second, had for twenty-nine years had his barber shop located at different points on Market street.

Lewis F. Brown and John M. Stevenson, Storekeepers in the Seventh District, assigned at the Tarr Distillery in Fayette, became engaged in a quarrel Wednesday growing out of playful pranks on the part of the former which the latter resented. In an encounter Stevenson drew a gun and fired, the ball grazing the index finger of Captain John T. Gunn, another Storekeeper, and striking Brown a glancing blow in the left side.

TORTURING DISFIGURING

Skin, Scalp and Blood Humours

Speedily Cured by Cuticura Soap, Ointment and Pills

When the Best Physicians and All Else Fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worried parents, as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humours remedies of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take the Cuticura Resolvent Pills, to cool and cleanse the blood. This complete treatment, costing but one dollar, affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all other remedies and the best physicians fail.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small percent of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- 1) Relieves the cough.
- 2) Makes the breathing easy.
- 3) Cuts out the phlegm.
- 4) Draws out the inflammation.
- 5) Kills the germs (microbes) of disease.
- 6) Strengthens the mucous membranes.
- 7) Clears the throat.
- 8) Relieves the feverish conditions.
- 9) Removes every cause of the cough and the strain on the lungs.
- 10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live 'dead woman.' One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich. Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

A team of horses hitched to a large empty road wagon scared at a streetcar this morning near the Opera-house and ran West on Second street. When opposite a business house they turned and went in the front doors, breaking them in, only stopping when the heavy wagon refused to follow them. The team belonged to a man by the name of Newman.

The Auditing Committee of Limestone Lodge No. 36, K. of P., of which Mr. Robert Picklin is Chairman, this week opened up a new auditing book for the Lodge. The book just closed was opened up twenty-five years ago, the Auditing Committee then being composed of Messrs. J. D. Kehoe, Horatio Picklin and L. M. Mills. Mr. Kehoe has for years been a resident of Washington City, and Messrs. Picklin and Mills still retain their membership in the Order.

SOCIAL EVENTS

The beautiful home of Mr. and Mrs. William H. Cox was the scene last evening of a dancing party to their daughter and her guests, the Misses Johnson of Mt. Sterling. About half a hundred belles and beaux were present and to the delightful strains of violin and piano danced the hours away, relieving the continued pleasure by a sumptuous lunch. The toilets were very handsome and the beauty of the fair women was never so exquisite. Several strangers from a distance gave added zest to the evening. The spacious rooms ensuited with the hard wood flooring highly polished made an ideal place for the carpal of terpsichore, before whom these maids and men danced attendant until the wee small hours.

Unconscious From Croup.

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, Postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, LaGrippe and all Throat and Lung troubles. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. J. J. Wood & Son.
